10.45	Interactive discussion			
11.10	Break			
TOPICAL SESSION: Practical issues in fungal infection management				
Facilitator: Low Lee Lee				
11.30	Management of cryptococcosis and penicilliosis			Jeremy Day
12.00	Management of fungal infections in high-risk patients			Tan Ban Hock
12.30	Antifungal prophylaxis: Whom, what and when			Yee-Chun Chen
13.00	Interactive session			
13.15	Lunch			
14.15	MYCOLOGY WORKSHOP		CLINICAL WORKSHOP	
	Facilitators: Arunaloke Chakrabarti, Ariya Chindamporn, Retno Wahyuningsih		Facilitators: Methee Chayakulkeeree, Atul Patel	
	Histopathological diagnosis	Arunaloke Chakrabarti	Case challenge 1	Atul Patel
	Non–culture-based identification	Ariya Chindamporn	Case challenge 2	Atul Patel
	Fungal ID quiz	Arunaloke Chakrabarti	Case challenge 3	Ruoyu Li
	Interactive discussion	All	Case challenge 4	Methee Chayakulkeeree
16.15	Day 1 closing remarks	Arunaloke Chakrabarti	Day 1 closing remarks	Tan Ban Hock

# MMTN Conference 2017

1–3 December 2017 · Ho Chi Minh City, Vietnam

SUNDAY, 3 DECEMBER		
MAIN PROGRAM (for all delegates)		
09.00	Welcome and opening remarks	Tan Ban Hock
TOPICAL SESSION: Hot topics in Asian medical mycology		
Facilitator: Tan Ban Hock		
09.10	Outbreak of superbug <i>Candida auris</i> : Asian scenario and interventions	Arunaloke Chakrabarti
09.40	Mucormycosis & pythiosis – new insights	Ariya Chindamporn
10.10	Candidemia: Lessons learnt from Asian studies for intervention	Methee Chayakulkeeree
10.40	Interactive discussion	
11.00	Break	
TOPICAL SESSION: Optimizing diagnosis and patient management		
Facilitator: Mitzi Chua		
11.15	Management of fungal infections in the ICU	Mitzi Chua
11.45	Genetic susceptibility of fungal infections	Ruoyu Li
12.15	New risk factors for invasive aspergillosis: How to suspect and manage	Tan Ban Hock
12.45	Interactive discussion	
13.00	Closing remarks	Tan Ban Hock
13.10	Lunch
