

MMTN INDONESIA 2025

Co-organized with:

AGENDA: MMTN INDONESIA DAY 1

Venue: **Polyclinic Building, Sam Ratulangi University**

Day 1 (Sat, 4 October) Laboratory workshop		
Time	Topic	Speaker
08:30–09:00	Registration	
Session 1 Moderated by: Retno Wahyuningsih		
09:00–09:15	Introduction to pre–conference workshop	Sandra Widaty
09:15–09:45	<i>Lecture</i> Updates in invasive yeast infections	Atul Patel
09:45–10:00	Q&A session	All
10:00–10:30	<i>Lecture</i> Updates in invasive mold infections	Arunaloke Chakrabarti
10:30–10:45	Q&A session	All
10:45–11:00	Break	
11:00–12:00	Yeast identification workshop I (5th floor) <i>Facilitated by Janno BB Bernadus, Nisa Fauziah, Alicia Widya</i> - Demonstration of direct microscopy, chromogenic medium & histopathology - Photo of colonies & KOH wet slide	
12:00–13:00	Lunch	
13:00–14:00	Skin infections identification of its causative agent workshop II (5th floor) <i>Facilitated by Eliza Miranda, Mufqi Handaru Priyanto, Meilany Feronika Durry, Shienty Gaspersz</i> - Demonstration of direct microscopy using KOH wet slide, Histo PA - Photo/ Culture of colonies & its microscopic features	
14:00–14:15	Break	

MMTN INDONESIA 2025

Co-organized
with:

14:15–15:15	Mold identification workshop I (Aspergillus) (6th floor) <i>Facilitated by: Josef Sem Berth Tuda, Sem Samuel Surja</i> • Demonstration of slide culture & histopathology • Photo of colonies & KOH wet slide • Morphology	
15:15–15:30	Break	
15:30–16:30	Mold identification workshop II (Mucorales) (6th floor) <i>Facilitated by: Robiatul Adawiyah, Edho Yuwono, Aulia Nisrina Yunasty, Yeva Rosana</i> • Demonstration of slide culture & histopathology • Photo of colonies & KOH wet slide • Morphology	
16:30–16:45	Closing remarks	Sandra Widaty

**This program is subject to changes. The finalized program will be available closer to the conference date.*

MMTN INDONESIA 2025

Co-organized with:

AGENDA: MMTN INDONESIA DAY 2

Venue: **Ballroom 1, Four Points Sheraton Manado**

Day 2 (Sun, 5 Oct) Clinical sessions		
Time	Topic	Speaker
09:00–09:15	Welcome and introduction	Sandra Widaty
Session 2 Moderated by: Arunaloke Chakrabarti		
09:15–09:45	Invasive aspergillosis – Updates in 2025	Atul Patel
09:45–10:15	Mucormycosis – Updates in 2025	Methee Chayakulkeeree
10:15–10:30	Q&A session	All
10:30–10:45	Break	
Session 3 Moderated by: Atul Patel		
10:45–11:10	Diagnosis and treatment of chronic pulmonary aspergillosis	Arunaloke Chakrabarti
11:10–11:35	Review on <i>Histoplasmosis</i>	Methee Chayakulkeeree
11:35–12:00	Optimizing TDM in Asia: The way forward	Lee Lee Low
12:00–12:15	Q&A session	All
12:15–12:30	Break	
12:30–13:00	<i>Vircell lunch symposium</i> CLIA monotest: A new paradigm for the diagnosis and follow-up of invasive pulmonary aspergillosis and invasive candidiasis Speaker: Alejandro Martín	
Session 4 Moderated by: Yeva Rosana		
13:00–13:30	Superficial mycoses – Perspectives and diagnostic challenges	Sandra Widaty
13:30–14:00	Evolving landscape of emerging fungal infections in Indonesia	Retno Wahyuningsih
14:00–14:15	Q&A session	All

MMTN INDONESIA 2025

Co-organized
with:

14:15–14:30	Break	
Case reports (Session 1) Moderated by: Methee Chayakulkeeree		
14:30–14:55	Case 1: Invasive Aspergillosis	Robert Sinto
14:55–15:20	Case 2: Invasive Candidiasis	Lee Lee Low
15:20–15:35	Q&A session	All
15:35–15:50	Break	
Case reports (Session 2) Moderated by: Lee Lee Low		
15:50–16:15	Case 3: Cryptococcal infection	Kartika Maharani
16:15–16:40	Case 4: Mycoses in animals	Herisman Hernadi
16:40–16:55	Q&A session	All
16:55–17:00	Closing remarks	Sandra Widaty

**This program is subject to changes. The finalized program will be available closer to the conference date.*
